The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for full particulars. Address: J. C. HENRY & CO., Toledo, O. PROFITABLE DAILY TITHING.

"Daily Heavenly Manna."

This little book is having the largest circulation of any of its kind and is conceded by Christians everywhere to be the most helpful.

If Christians allow the rush and crush of selfish ambition to deprive them of their daily portion of heavenly food, they must not be surprised if they grow spiritually leaner day by day, and if the peace of God gives place in their hearts to the discontent which is growing in the world, notwithstanding the multiplication of our comforts and privileges.

Daily Heavenly Manna contains a collection of Scripture texts with appropriate quotations for every day in the year. Surely the little tithe of time daily spent in partaking of its morsels of heavenly counsel cannot fail to profit all who partake. It is published to do good—not for profit.

Your Friends' Birth Dates.

An autograph and birthday record feature in this book is a great convenience. Opposite each day of the year are blank lines upon which you can secure the autographs of your friends and be reminded of their birthdays as they occur. This makes the book more valuable yearly. In ten years you would not sell it for ten dollars.

Besides it has a place for Birth Records, Marriage Records and Death Records. Also it has a table showing the day of the week of any date for one hundred and fifty years.

Odd Fellows Gather

In Annual Session

The largest assemblage of Odd Fellows that has attended any meeting of the Northeast Nebraska association of that order, gathered here Tuesday afternoon and evening for their eleventh annual meeting. The business houses and many of the residences were decorated in holiday attire for the occasion. Nearly four hundred three link members journeyed here from the adjoining lodges, and augmented by a delegation from Sioux City, the capacity of the Ayres hall, where the meeting was held, was taxed to the limit.

A session of grand lodge was held in the afternoon for the purpose of conferring past grand degree on those who had served as noble grand and had not received the degree. Grand Master Bass of Broken Bow, and Grand Secretary J P Gage of Fremont conducted the work.

An open meeting was held, beginning at 8 p. m., when a program of music and speaking entertained the throng until 10 o'clock. The address of welcome by Sidney T Frum, and the response by Rev J L Phillips of South Sioux City, were heartily applauded. Dr M W White, of Sioux City, past grand master of Iowa, was the principal speaker of the evening, confining his talk to the beauties of Odd Fellowship, its aims and purposes. He was followed by Grand Master Bass of this state, who gave a brief account of the work in Nebraska, and the good results attained in the establishment of the "home" at York.

The song by the Dakota City male quartet and a recitation by Miss Baby Dierking were pleasing features and were heartily applauded.

At the close of the program the hall was cleared of spectators and a business meeting of the association held. Carl Schriever presided as president and H L Peck as secretary. Randolph was selected as the place for holding the next meeting. F W Fox of Randolph was chosen president for the coming year, Burt Kroesen of South Sioux City vice president, and H L Peck, of Randolph, was chosen as secretary-treasurer for the seventh consecutive time.

The remainder of the night was taken up in conferring degrees on a class of candidates by degree teams from the different lodges. A handsome banner was donated by the Dakota City lodge for the degree team the most proficient in the work. This was carried off by the Emerson team.

A moving picture machine was located in the hall to entertain the visitors between times.

A splendid supper was served by the ladies of the Dakota City and Salem Lutheran churches at the court house hall at 6 o'clock, and another at 12 o'clock, that brought forth many compliments from the visitors.

The local lodge feels well repaid for the work and expense of entertaining the association, and the association was not a bit backward in expressing its appreciation.

FOLLY OF PREACHING TO THE WORLDLY-WISE

Why Should God's Ministers Preach While Earthly Rulers Command?

Preaching Thus Serves the Divine Purpose During This Age—in the Coming Age of Messiah's Kingdom It Will Be Different—The Law Shall Go Forth and Transgressors Shall Receive Corrective Punishments.

Lancaster, Pa., Dec. 22.—Pastor Russell spoke here today. His text for the occasion was: "It pleased God by the foolishness of preaching to save them that believe."—I Corinthians 1, 21. Pastor Russell said that there is a wide difference between foolish preaching and "the folly of preaching." In the Church, the Gospel has the right of way. If some claim that people no longer attend Divine service, there are three reasons why they will not.

(1) During the Dark Ages the Church lost the Gospel, and few Christians have recovered it. Gospel signifies good tidings, a message of joy; but the message handed down from the Dark Ages has been bad tidings of great misery for nearly all mankind. No wonder the majority reject this horrible presentation of the creeds. Mankind have trials enough in the present life, and need encouragement to hope for better things hereafter.

(2) Responding to the growth of intelligence, ministers have ceased to preach eternal misery for all but the "very elect." Nearly all ministers lost in the theological seminaries their faith in the Bible as the inspired Word of God, and accepted the findings of unbelief—Higher Criticism. So they preach those things which they ought not to preach, and leave unpreached those things which they ought to preach. How can such ministers avoid "foolish preaching?"

(3) Having undermined faith in the Bible, these ministers mix their higher critical, evolutionary views with diluted morality, and serve this instead of the Gospel. Whoever thinks such preaching will convert from sin and unbelief to faith in God is deceived.

The Gospel of Christ is glad tidings. Jesus died to bring mankind into harmony with God. Nothing is said about an eternity of torture at the hands of the Wisdom, Justice, Love and Power of God. It acknowledges that mankind are under a just penalty—death, but sets before them a glorious hope of a coming time when the curse of death will be removed. According to the Scriptures, a New Day is dawning—a glorious prospect for all desiring to come into harmony with God, but stripes upon sinful sinners.

The True Gospel includes the message that during this Age God is selecting a Church, to be joint-heirs with our Lord in the honorable work of blessing all the families of the earth. The number who attain this position is a Little Flock, to whom it is the Father's good pleasure to give the Kingdom.

Is Gospel Preaching Logical?

Pastor Russell said that St. Paul refers to preaching the Gospel as "foolishness," not in his own estimation, but in that of the worldly-wise. That a man of Jesus' ability should go about with a few disciples, performing some miracles and inviting chiefly the poor to follow Him, seems foolish to the world. They ask, Why did He not make friends with scribes, Pharisees and Doctors of the Law, whose influence with the people would have counted?

In reply, he asked, if our Lord had done thus, who would have crucified Him? How would God's Plan have been carried out? It is well for the world that Jesus did not follow the suggestions of worldly wisdom. Truly, the Wisdom of God is foolishness with the world; even as worldly wisdom is foolishness with God.

From the world's standpoint, it seems foolish for God to invite any to serve Him—for an all-powerful God to entrust where He could compel obedience. Earthly kings enforce their commands; in fact, every one executes his own will. The Bible explains, however, that God seeks those to worship Him who do so in spirit and in truth. Therefore these must be given opportunity to disobey, if they choose to do so; and persecutions, tribulations and attacks from the world, the flesh and the Devil are permitted to test them.

All of God's people are ordained to preach. The begetting influence of the Holy Spirit is the only ordination necessary, and without it no one has Divine authority to preach. God's Book makes no division of His people into clergy and laity. Let us declare God's message in its purity and simplicity. Let us not be disappointed that the worldly-wise consider it foolishness, and that it brings odium, as it did upon the Lord and His Apostles.

God will find the "peculiar people" whom he seeks. As Messiah's associates they will "declare the decree." All mankind shall be brought to a knowledge of the Truth, the incorrigible destroyed, and every knee bow and every tongue confess, to God's glory.

When to Marry.

Men may marry if:— You show you are not subject to the disease known as the "morning after;" your teeth are sound; your heart action good; you never suffer from brain at-tem or dementia economica.

There is ample and sufficient proof you are able to provide the two of you with food for life. Quick lunch checks will not be accepted in evidence.

You are able to prove there will be four walls and a rainproof roof at the disposal of yourself and the girl. No victims of dollar down and dollar a week as long as you live bungalow need apply.

You agree to never utter the phrase "the kind that mother used to make."

Women may marry if:— You can boil water without burning the kettle. Never mind about the salads. Soup is what a hungry man wants.

You know how to serve hashed browned potatoes with the broiled steak.

You know how to make a bed without having it feel like sleeping upon a cobblestone pavement. Bumps in the bed are bad for the disposition.

There is no taint of hysteria, nervous headaches, dyspepsia, fainting fits or other purely feminine signs of mental instability in your health history.

You are not given to chronic bargain hunting, afternoon teas or rooking chair parties.

You realize that a dollar is worth one hundred cents, and cents don't grow on every gooseberry bush along the highway of life.

Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers.—Adv.

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach, and it is not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle.

"About a year ago," says F. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Stomach and Liver Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." Sold by all dealers.—Adv.
